MURRAY — Swedish clothing retailer Hennes & Mauritz — H&M — announced Thursday the opening of the company's first store in Utah at Fashion Place Mall in Murray. The store is scheduled to open in the fall.

The new H&M location will measure approximately 23,000 square feet and will feature two floors of retail space.

Since opening its first U.S. store on New York's Fifth Avenue more than 10 years ago, H&M has expanded to more than 210 locations across the country.

Established in 1947, H&M is headquartered in Stockholm and has more than 2,200 stores in 40 markets around the world.
